1. How long have you known this student?
2. Will you be the faculty advisor for this student's research project?
3. If you will be the faculty advisor, how specifically will you be overseeing this research project?

4. What role will the student have in the proposed project?

5. What documentable outcomes are expected from this project?

*Please complete the second page of this form

6. Why is the student deserving of this research grant?

If your student's grant application is funded then the disbursement will occur through your department. Your student then will need to work directly with your departmental administrative assistant to order research items and/or to be reimbursed for research expenses. Be sure to inform your student that access to the PSP funds will be available through your departmental administrative assistant.
